AFFIDAVIT IN SUPPORT OF SEARCH WARRANT

I, JOSEPH ROSSITER, HAVING BEEN DULY SWEORN, DEPOSE AND STATE: I am a United States Postal Inspector and have been since May 2016. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the use of the United States Mail in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").

Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations, law enforcement training and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery address, the package

is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

On April 23, 2020, I intercepted a package (hereinafter "the Package) at the Cincinnati Network Distribution Center (NDC). The Package is a Priority Mail medium flat rate box, bearing tracking number 9505515391020111266561, postmarked April 20, 2020, with the following address information:

**Sender:** Raul Molina  
435 Verbena CourT APT J  
Orlando FL 32807

**Addressee:** AManda Green  
308 Oakwood Place  
SPringfield OH 45506

I observed an excessive amount of taping upon the Package. Through prior law enforcement training as a Postal Inspector I know that this can be indicative of a package that may contain drugs and/or its proceeds.

I performed a check in CLEAR database for the addressee's information on the Package of "AManda Green 308 Oakwood Place SPringfield OH 45506." CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information. According to CLEAR, there is no "Amanda Green" associated with 308 Oakwood Place, Springfield, OH 45506.

I also performed a check in CLEAR for the sender's information listed on the Package of "Raul Molina 435 Verbena CourT APT J Orlando FL 32807." According to CLEAR, there is no "Raul Molina" associated with 435 Verbena Court, Apt J, Orlando, FL 32807.

On April 23, 2020, at my request, Dayton Police Department Officer Jeremy Stewart conducted a narcotics-detection canine "free air" check of the outside of the Package. I was present during said check. The Package was placed in a controlled area with similar and like packages, and presented to narcotics-detection canine, "Weston." As set forth in the attached affidavit of Officer Stewart, "Weston" alerted positively for the presence or odor of a narcotic or other controlled substance. "Weston" is a properly trained and certified narcotics-detection canine.

Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package's address information, including (i) no known association between the addressee and recipient address, (ii) no known association between the sender and return address, (iii) the excessive amount of taping on the Package, and (iv) the positive alert of the narcotics-detection canine are all indicative of and consistent with Drugs and/or Proceeds in the Package.

Therefore, a search warrant to open the Package is requested.

Further, your affiant sayeth naught.

Joseph L. Rossiter  
Postal Inspector

Subscribed and sworn to and before me this 23rd day of April, 2020.

PITTSBURGH DIVISION

OFFICER AFFIDAVIT

I, Officer Jeremy Stewart, am and have been employed by the Dayton Police Department since 2014. Among other duties, I am currently the assigned handler of narcotics detection canine "Weston" which is trained and certified in the detection of the presence or odor of narcotics described as follows:

Marijuana, Cocaine, Methamphetamine, and Heroin

On 4/23/20 at the request of Postal Inspector ROSSITER, I responded to the DAYTON P&DC, where "Weston" did alert to and indicate upon: [describe item]

Raul Molina Amanda Grees  
436 Verano Court APT J 308 Oakwood Place  
Ockendo FL 32807 Springfield OH 45206

Which, based upon my training and experience and that of "Weston", indicates there is contained within or upon the above described item, the presence or odor of a narcotic or other controlled substance.
